

MARDEN PARISH COUNCIL

GRANTS POLICY

Adopted by Marden Parish Council on 12 August 2019

Marden Parish Council has adopted the following policy:

- 1) The maximum sum set aside each financial year for grants and donations is to be agreed upon annually at the full Parish Council meeting in which the precept is set
- 2) All applications for grants must be made in writing and submitted to the Clerk, using the relevant application form depending whether the application is for £200 or less or for above £200
- 3) All grant applications must be decided by a full parish council meeting
- 4) Marden Parish Council must satisfy itself that the grant will benefit the area and a significant number of residents. Ideally there should be clear evidence of local need or demand for the proposed project / activity
- 5) Each **application for more than £200** must be accompanied by supporting documents:
 - Summary of the applicant's accounts for the last financial year, if applicable
 - Proposed project details including a breakdown of costings
 - Details of the applicant's organisation/group membership, and structure if applicable. Councillors must feel confident that appropriate management mechanisms and financial accountability are in place within the applicant's organisation/group
- 6) Small grants of £200 or less do not need to provide accounts or as much detail – see the relevant application form
- 7) If the grant requests received exceed the grant monies available in a financial year, then councillors will target projects / grants which benefit as many people as possible within the parish
