 - 3.2. P210629/F, Land adjacent The Frankland, Burmarsh, HR1 3BN – Proposed erection of two 3-bed dwellings with associated access, landscaping and drainage – RESOLVED by majority (4 for resolution, 1 against, 1 abstention) to object on the following grounds: recognise that made NDP housing supply policies M1 and M2 are out-of-date, however Neighbourhood Planning confirmed that all other policies are part of Local Plan and carry full weight; recognise that M2 out-of-date, but site is outside settlement boundary for M2 in both made and revised NDP; does not conform to made M3, particularly M3(d) and (e), historic pattern not respected, moving development from 2 small clusters to ribbon development, design inappropriate in relation to neighbouring small terraced houses and also non-conformity with Core Strategy RA2; although this builder provides good quality houses using local tradesmen, application does not conform to made M10 as changes landscape character, nor to criteria of Core Strategy RA3 for development in open countryside; additional vehicles accessing narrow road and then C1125 at dangerous bend, does not conform to made M3(a); site breaches local wishes of parishioners regarding settlement boundary in both made and revised NDPs.

conform to made M10 as changes landscape character, nor to criteria of Core Strategy RA3 for development in open countryside; additional vehicles accessing narrow road and then C1125 at dangerous bend, does not conform to made M3(a); site breaches local wishes of parishioners regarding settlement boundary in both made and revised NDPs; parish has significantly more commitments and allocation than minimum required by Core Strategy, approval would change character of settlement and parish.
