Facilities Event**

The Vision

To provide a flexible, integrated and dedicated community space at the heart of the parish, to meet the requirements of an expanding and changing community

MUGA – Multi Use Games Area

The Current Plan

On land gifted to the parish provide:

- **A landscaped village green**
- **A community building to be:**
 - **Owned by the parish**
 - **Operated as an integrated facility with the existing community centre**
 - **Flexible design to allow for expansion**

Costs and funding

Aim to keep total budget to £400,000

- **£300,000 from fixed-rate Public Works Loan – funding to repay almost all of loan has been in budget and precept (part of Council Tax that comes to the parish council to pay for services) since 2017**

- **Currently the precept for a house in the band D council tax bracket is £1.85 per week. Of this, 49p per week has been ring-fenced since 2017 for the build project and to repay the loan**
- **At interest rates today, an extra 2p per week might be needed to repay the loan**
- **Final figure will not be known until loan is activated**

- **£40,000 currently ring-fenced in budget for repayments and project work**
- **Expected £40-50,000 from grants**
- **Fundraising currently at £5,750, new fundraising schemes to be launched soon**
- **Reduction in costs if skilled volunteers in the community help**

Work that can be done by skilled volunteers

- **Painting, decorating, tiling**
- **Landscaping**
- **Toilet and kitchen fitting**
- **Other skilled jobs**
