

Notes from the Environment and Sustainability Meeting Monday 7.11.22

1. Plans for Monday 21st November

Agenda

Introduction, a bit about the history of what we have tried to achieve and what we could do in the future.

A short talk on the impact of people on the climate of the planet and how we could help reduce this.

A break so people can get refreshments.

We can then have an open discussion on climate change, people's thoughts and ideas on what we could do as a Parish.

2. **Tasks**

Advertising the event.

Lesley will produce 660 (110 sheets 6 per sheet) invitations. Lesley will deliver the cards to each of us, if we could confirm with Lesley how many we require and we will cut them up and deliver them. Once you have delivered could you confirm back to Rod what you have done. Rod to organise advertising on Facebook, the Parish Council and Marden Links website.

Rod to change slides to reflect feedback and recirculate.

Refreshments.

Agreed to have tea, coffee, squash and fruit juice. Savoury nibbles, biscuits and cake. Rod to get feedback from Jan on how gardeners event goes then touch base with Lesley, Jess and Jan to agree what we get. Use Community centre mugs, need to bring glasses and plates.

Equipment

Rod to find out what Jeremy has available (white board, pens, paper, flip charts.

Rod to get projector and great collaboration boards.

3. Other Business

Agreed that bi monthly meetings in either 3rd or 4th week of the month.

Try and establish practical projects.

4. Next meeting Monday 12th December 5pm in the parish hub.
